EVENT RECAP: OUR STREETS. YOUR BRAKES.

Resident-organized crosswalk event | Report prepared by the NHSB Neighborhood Watch Group

DATE	TIME	LOCATION	RESIDENTS PARTICIPATING
Mon., Sept. 28, 2026	5:00 – 6:15 PM	Sports Center Crosswalk, 22801 Nadine Circle	24

About this event: This crosswalk event was organized by residents. It was not sponsored by the NHSB Neighborhood Watch Group or the NHSB HOA. Some Neighborhood Watch members took part as individual residents, and the Neighborhood Watch Group is reporting on what was observed.

PURPOSE

To raise driver awareness at the Sports Center crosswalk: slow down, recognize that a marked crosswalk exists here, and yield to pedestrians in the crosswalk. Residents pushed the walk button and crossed together, repeatedly and visibly, carrying signs. The event was about visibility, not enforcement.

RESIDENTS IN THE CROSSWALK	VEHICLES FAILED TO YIELD	VIOLATIONS WERE SOUTHBOUND	OF OBSERVATION (5:00–6:15 PM)

VEHICLES THAT FAILED TO YIELD (NO PLATE INFORMATION RECORDED)

#	Direction	Color / Make / Model	Speed a factor?	Notes
1	Southbound	White BMW 4-door	**Yes**	Traveling too fast; did not yield
2	Southbound	Gray Subaru wagon	**Yes**	Traveling too fast; did not yield
3	Southbound	Gray Honda CR-V		Did not yield
4	Southbound	Black Tesla Model 3		Did not yield
5	Southbound	Gray Volvo 4-door		Did not yield
6	Southbound	Gray Honda Accord		Did not yield
7	Southbound	Blue Mazda convertible (model unknown)		Did not yield
8	Southbound	White Chevrolet Silverado		Did not yield
9	Southbound	White Toyota Prius		Did not yield
10	Northbound	Silver Volkswagen (model unknown)	**Yes**	Going a little too fast; driver seemed distracted; did not yield

Southbound is the problem lane. Southbound traffic from Casa del Amo Apartments toward Nadine/229th Pl. was the single most dangerous approach, with 9 of 10 violations. Speed and the curve geometry on that approach appear to be factors compared with northbound traffic.

Visibility. The crosswalk was repainted earlier that afternoon, just before the event, yet drivers still appeared unable to see the fresh paint or the flashing beacon lights.
