NHSB NEIGHBORHOOD WATCH · TRAFFIC SAFETY

Everyone Can Help. Pick One.

Safer streets on Nadine Circle & 229th Place take all of us.

I'm active and on the go

I walk the loop and can come to things

1 Join a Crosswalk Awareness event
Bring a sign and a reflective accessory. Cross together.
Next: Mon Oct 12, 7:45 am 229th & Nadine Cir

2 Be a Bench Buster
Sit at the crosswalk for 15-20 minutes and help us collect data.

3 Report everything you see
On your walks, use your phone (QR code above) or call non-emergency police to report violators. Or fill out a Traffic Safety Report form and give it to your Area Captain.

4 Come to one Traffic Commission meeting
Speaking is optional. You can submit a letter or email too. See our Who Decides What sheet.

5 Help a neighbor report
People learn by doing. Share how you're helping, and set up the Report Traffic icon on their phone's home screen.

I can give a few minutes

I'm out and about, but busy

1 Report it: 1 minute
Use the QR code above.
No license plate needed. Your name is optional and never shared.

2 Drive the way you want others to
25 mph, full stops, and stop for anyone at a crosswalk.

3 Stop by an awareness event
Don't have an hour? 15 minutes is enough. Cross once, wave, go home.

4 Sign a group letter or petition
When an Area Captain brings it around.

5 Pass it on
Give one Traffic Safety Report or magnet to one neighbor.

I stay close to home

We'll log it or send you the Traffic Safety Report form or QR link.

2 Share your camera

3 Write or call Councilmember Gerson
Three sentences is enough. We'll give you a fill-in letter.

To the Traffic Commission, by email or mail. We'll provide the wording. Email: **TrafficCommission@TorranceCA.Gov**
